

Where did the magic come from?

Fairies were first spotted 2 years ago at the Clip Joint in Kalamunda. Since then, they have decided to call Kalamunda home and have recently expanded their family into Forrestfield!

Around the shops, there's more to see, something else that is wild and free.

Fairies live here, hidden away, try and spot them, come and play.

See their beauty, the magical doors, they'll take your breath away, that is for sure.

Follow the map, come and see, just how magical the Foothills can be!
